

Getting ready for class!

What to wear: Please dress modestly as there are children in our classes. Wear pants or long shorts and closed toe shoes with hard or rubber soles. Loose jewelry or loose clothing may get caught on your dog's collar, so please keep that in mind when getting ready for class. For your safety, NO flip flops or similar open back shoes are allowed.

What to bring to class:

- Lots of yummy treats (we use cheese and hotdogs, etc.) Enough for a 1-2 hour class
- A clicker
- A mat/rug for your dog to lie on
- Make sure your dog has on approved equipment (no choke chains, prong collars, slip collars, pinch collars or shock collars) We recommend body harnesses with a metal ring on the chest for attaching the leash (not an Easy Walk harness)
- A 6 foot leash – No Flexi-leashes or chain leashes allowed
- Your dog's current vaccination records
- Doggie waste bags and items to clean up after your dog
- A rawhide bone or similar chewies for your dog to chew on during instruction times.
- Please do not bring squeakie toys, as it will be a distraction to all the other dogs.
